RE: Contract services with Tyler Dawson – DOMINION Sales & Marketing Services Inc.

Dear Sir or Madam:

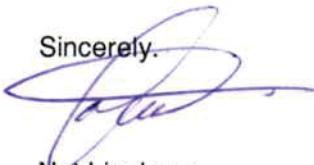

DOMINION was retained to develop and implement a sales program that would realize revenue for a recently acquired technology. The DOMINION team, led by Tyler Dawson, was able to design and produce several marketing pieces and sales kits, implement a comprehensive marketing plan that included using a DOMINION direct sales team, created an online presence, and direct mail campaign.

These efforts resulted in DOMINION securing several high profile accounts for Verb Exchange including: The Vancouver Sun & Province, Orca Bay Sports and Entertainment, Coastal Contacts.COM and Intuit Canada (North Americas largest small business accounting software manufacturer of Quicken & QuickBooks, QuickTax).

We had never previously contracted an outside marketing firm to assist us in securing new business, however the DOMINION team proved they have the expertise, resources and know how to deliver solutions that can substantially help any organizations bottom line.

We look forward to working with DOMINION on future assignments.

Sincerely,

Nat Lineham
President & CEO
